

Church Planting Models

Denominational Parish

- has ethos and focus of parish
- responds to the network
- is safe, comfortable, restrictive, accountable

Attractional/Regional

- attractive to the community
- meets felt needs
- is excellent, fun, pragmatic
- does what works

Cell (Simple Church)

- it is small and reproduceable
- it is organic
- it can have little accountability
- it can feel messy

Missional/Incarnational

- has empowering leadership/vision board
- it naturally springs up
- is joyful and Christlike
- is flexible
- it takes longer to grow
- it is untested
- it is all consuming, taking over life
- expectations must be managed
- it is culturally engaging

Mono-ethnic

- it consists of a particular ethnic group
- it can be unintentionally exclusive
- it is missional to a certain group of people
- it grows spontaneously

Multi-site

- it meets in many different locations
- it is difficult to sustain without a good process of developing leaders
- it can have a high turnover
