

2020 Church and Ministry Information Form

We know that 2020 was likely one of the most disruptive years in the history of your congregation. It's time to provide your current church information and statistics through the Church and Ministry Information Form. We are requesting the information listed below. Please take a look through these items to ensure that you have the information handy when you fill out the online report. Regardless of when your fiscal year end occurs, please complete the online [report](#) by **January 31, 2021**.
