Your church is part of a family of churches, transformed by Christ, revealing God's Kingdom. Each year, we choose a Sunday in October where we ask your church to celebrate that you are part of this incredible family.

CBOQ exists to equip your church and your leaders to engage with your mission from God in your community. Through our partnership with you and over 300 member churches, we are able to accomplish more together. Did you know that in 2022, CBOQ gave back \$808,000 in church grants, partner support, and pastor benefits and subsidies? This represents 75% of the \$1.08M entrusted to us by churches.

CBOQ is here to serve you as you fulfill God's mission. Today on CBOQ Sunday, let's rejoice in the gift of kingdom partnership that God has given to all of us!
