The Names of Jesus

A simple family faith conversation activity based on the theme of the Names of Jesus.

Did you know there are over 200 names/descriptions listed for Jesus in the Bible? It might be a fun challenge to see if you can discover them all with your kids! Or perhaps you may want to consider the 22 names selected for this Advent activity. Print the file and cut out the strips to create a paper chain countdown activity. Each day remove one link and reflect on the name for Jesus. Consider preparing this activity to give to all the families in your church. Follow [@cboqkids](#) for daily posts in December that correspond with this activity.

This resource can be printed on plain paper or cardstock and cut into strips. One strip at a time, in number order, loop and tape/glue to form a paper chain. On December 3, beginning with the first strip (the number 3 should be the first one opened) remove one link and read the scripture about the name for Jesus.

Immanuel

Isaiah 7:14

Alpha & Omega

Revelation 1:8

Cornerstone
