Celebrating Our Partnership in Christ

Today, on CBOQ Sunday, we rejoice in the powerful partnership we share with over 300 churches across Ontario and Quebec. Together, we are transformed by Christ revealing His Kingdom.

Your church is part of a dynamic family – united in mission, driven by a shared purpose to serve our communities, and empowered by God to make a lasting impact. Through this partnership, we are able to accomplish more together than we could ever do alone.

Over the last 3 years, through your generosity and our collective efforts, CBOQ was able to reinvest over \$2.4M in grants, missions, and subsidies that supported churches, ministry partners, leaders, and pastors. That's over 70% of the gifts entrusted to us – being poured back into ministries just like yours.

CBOQ exists to equip and encourage your church, helping you fulfill God's calling right where you are. Today, let's celebrate the unity and strength we have in Christ, and the ways we are building His Kingdom together.

Thank you for being a vital part of this family!
